

**Sudden Unexpected Infant Death (SUID)/Abusive Head Trauma**

Minnesota Statutes, section 245A.144, requires licensed child foster care providers that care for infants or children through five years of age must document that before staff persons and caregivers assist in the care of infants or children through five years of age, they are instructed on the standards in section 245A.1435 and receive training on reducing the risk of sudden unexpected infant death and abusive head trauma from shaking infants and young children. This section does not apply to emergency relative placement under section 245A.035.
